Managing Director

CORPORATE OVERVIEW

ESTABLISHED SINCE 1997, CONSIDERED AS ONE OF THE LEADING LOCAL QATARI COMPANIES, SPECIALIZED AT CONSTRUCTION & MARINE WORKS.

Established in 2002, TechnoQatar Ltd poses as one of the leading Qatari companies specializing in construction and marine works.

TechnoQatar Ltd has been serving the flourishing Qatari market with high-quality equipment and state-of-the-art technology, offering perfect, highly reliable designs and installations that meet the needs and tastes of customers. The company was primarily engaged in construction works before diversifying the business in 2002, adopting a "walk on water" expansion through its marine works. We provide floating and fixed-type marine installations; we design, supply materials, install and add marine accessories such as composite wood, dock lightings, underwater lighting, solar and DC power, fire consoles and jet ski and boat lifts.

CORPORATE SOLUTIONS:

MARINE WORKS • CONSTRUCTION • INFRASTRUCTURE • MEP WORKS • TRADING
